Re: Case Management Rate Study Report
Date: January 14, 2019

During Indiana's 2018 legislative session, House Enrolled Act No. 1317 required the Indiana Family and Social Services Administration to undertake a study of payment rates for case management services provided through the Community Integration and Habilitation Waiver and the Family Supports Waiver overseen by the Bureau of Developmental Disabilities Services.

FSSA contracted with the national consulting firm Burns & Associates to complete the work. The study has been completed and the final report [is available here.](#)
